

OUR MISSION

To help facilitate organizations entrance onto the continent of Africa through Business Incubation until the organization could stand independently

CONNECTING WITH YOU, GROWING GLOBALLY.

ABOUT

“The Afriam Group” is a global positioning, and branding firm that helps corporations, small businesses, consultants, and individuals gain access to the small, medium, and large corporations on the continent of Africa. Through the “shared services” of the “The Afriam Group Business Incubator”, member organizations are able to ground their companies in Africa with minimum expense and maximum oversight
